

For our location in Kusterdingen, we are looking for the earliest possible date:

SERVICE TECHNICIAN (M/F)

MONTA Lackieranlagen GmbH was founded in 1989 in the Swabian region of Kusterdingen, Germany, and throughout its 30 years it has developed and produced hundreds of systems to meet various requirements in the surface treatment sector. A perfect combination of years of experience and outstanding technical expertise gives rise to tailor-made systems that win users over with their efficiency and eco-friendliness. Requirements given by customers from a huge range of industries and individual preferences form the basis for the planning and development of every MONTA system. Flexibly compiled project teams use creativity and dedication to come up with innovative solutions that work in practice.

Your responsibilities

- Maintenance, diagnosis, repairs and adjustments work on our systems at our customers premises
- Independently plan maintenance assignments
- Perform small retrofitting tasks
- Commissionings
- Expand the servicing department

Requirements

- Successfully completed technical education in the field of mechatronics, further education as a state approved technician is also desirable
- Advanced knowledge of servicing
- Advanced programming skills
- Good MS Office skills
- Good knowledge of written and spoken English
- Strong communication and teamwork skills
- Highly committed and flexible
- High willingness to travel
- Able to work independently in a structured, quality-oriented manner

MONTA.
